EDUCATION

University of Cincinnati, Cincinnati, Ohio
Bachelor of Science, Computer Science

Graduating: May 2028
GPA: 3.76

- Primary Coursework: Computer Systems, Computer Programming

SKILLS

Programming: HTML, CSS, C++, Python, JavaScript, LabVIEW, VBA, MATLAB

Software: Microsoft Office (Microsoft Word, Microsoft Excel, and Microsoft PowerPoint)

Operating Systems: Windows

Other: Web development

EXPERIENCE

University of Cincinnati | Cincinnati, Ohio

Aug 2024 – Present

Peer Teaching Assistant, ENED 1120

- Collaborated with faculty and other peer teaching assistants to teach an introduction to engineering course for 70+ students.
- Led tutor room shifts to support and guide fellow students in their robot group projects.
- Provided peer mentoring and one-on-one academic support, helping students grasp key concepts and improve performance.
- Managed student communications and inquiries via email, ensuring timely and professional responses.

PROJECTS

ENED 1100 Project | LabVIEW

Aug – Dec 2023

- Collaboration with 3 other students.
- Developed a robot prototype that can sort and transport bins of materials.
- The final prototype could detect obstacles and move on rocky elevations.

ENED 1120 Project | Python

Jan – Apr 2024

- Collaboration with 3 other students
- Developed a robot prototype to deliver a box to a designated location in a warehouse setting.
- The final product could scan a simple bar code and calculate the path to the location.

Portfolio Website | HTML, CSS, JavaScript

Ongoing

- Designed and developed a personal portfolio website to showcase academic projects and technical skills.
- Implemented a responsive layout using HTML/CSS for both mobile and desktop compatibility.
- Integrated interactive elements with JavaScript to enhance user experience and navigation.
- Continuously updated with new projects and improvements to design and performance.

ACTIVITIES

Bearcat Buddies | Volunteer Tutor

Sep 2023 – Apr 2024

- Conducted weekly 1-on-1 tutoring sessions with local middle school students in subjects such as Algebra and Reading.
- Built rapport with students and helped improve academic performance and confidence.

AWARDS & HONORS

UC Global Scholarship

Aug 2023 – Present

College of Engineering and Applied Science International Outreach Scholarship

Aug 2023 – Present

AVAILABLE FOR CO-OP: FALL 2025
